

Capstone Activities

August 2021

Chinese painting. Get to know the Chinese symbol—the Panda.

September 2021

Celebrating the Mid-Autumn Festival by recycling the red envelopes to make lanterns and exchanging festival greetings with my home school principal and teachers and students.

October 2021

Get to know the National Day and say Happy Birthday to China.

November 2021

Learning traditional Chinese sports--ping pong, shuttlecock and jump rope and Water Sleep Dance.

December 2021

Holding a dumpling festival on the campus. It is custom to eat dumpling starting from the Winter Solstice to the Spring Festival, to help people keep warm in memory of Zhang Zhongjin because the dumplings are made of different herbs. This dumpling festival contains four parts.

1. Learning the vocabulary, origin, history and culture of dumplings and designing the posters.

Mandarin Class

CHINESE CULTURAL EXPERIENCE

Filling Meanings

Celery means hard work leads to a wealthy life.

Leek means everlasting affluence.

Cabbage refers to a hundred ways to make a fortune.

Cooking Methods

Boil, Steam, or Fry

Fun Fact!

Dumplings were made because many people were getting frostbite during the winter months. A medical physician named Zhang Zhongjing mixed together medicinal herbs and wrapped them in dough. Those who ate the dumplings recovered 2 days later, and now it's tradition to eat dumplings during the winter solstice and the Spring Festival.

Friday, December 10th

In the cafeteria, 11:30 am - 12:20 pm

Welcome to try for free!

2. Field trip: getting the materials ready by doing grocery shopping in an Asian supermarket.

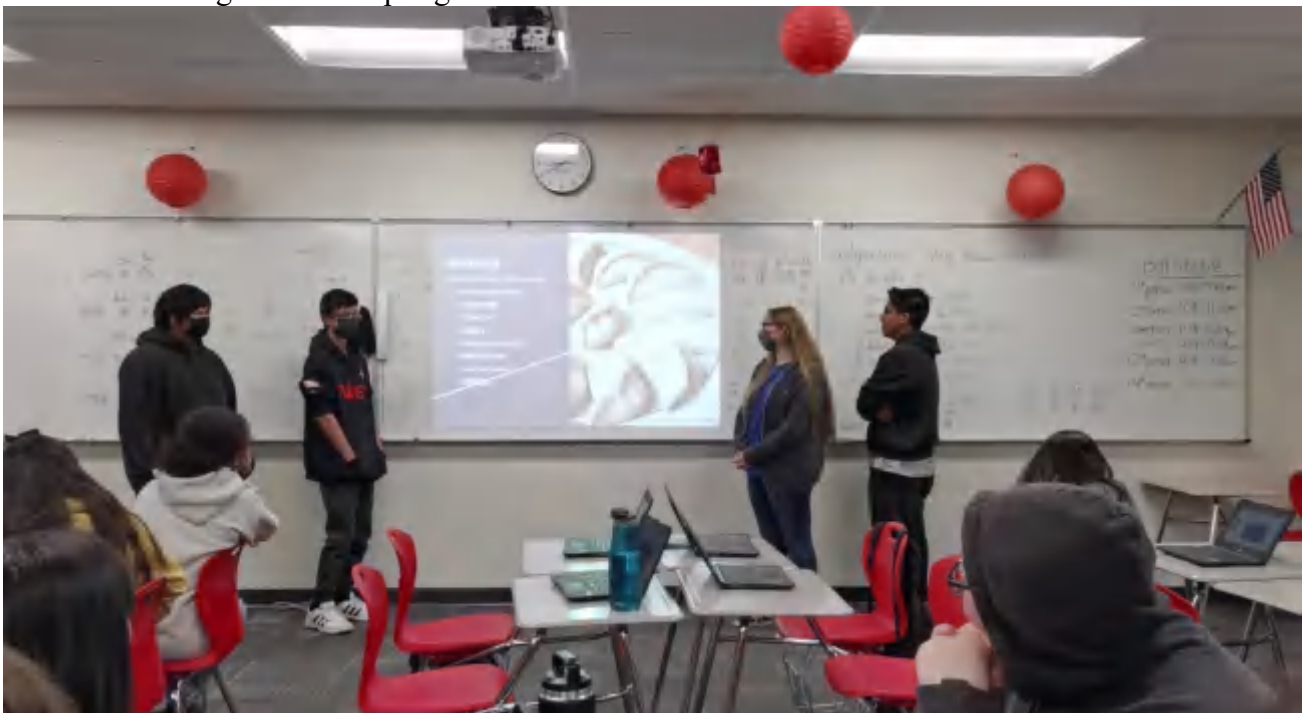

3. Making dumplings in the cafeteria and serving teachers and students on the campus.

4. Reflecting on the dumpling festival
