

Arabic Lesson Plan
 West High School
 Grade A
 Topic: At the park

Objectives	By the end of the lesson, students will be able to recognize and name the park vocabulary in Arabic. They will also be able to use these words in sentences and describe the park.
Presentatio	After greeting students and revising the previous lesson, I will ask students some warming up questions like” Do you like visiting parks” and “ What is your favourite park?”. Then, I will teach them the vocabulary using pictures and powerpoint slideshows. I will ask students “Yes or No” questions to check their understanding and after that I will ask more “ Wh” questions and I will enable them to speak and write more descriptive sentences to the park.
The new vocabulary	park flower tree grass birds seat people sit enjoy relax picnic visit play ride bike fly kite
The student activities	Students will practise the” hot seat” activity to do role playing asking different questions about the park. They will also use “ The swat game” to practise some fun learning to check that they recognized the new vocabulary. They will also practise a drawing activity in pairs to let them imagine a dream park writing the Arabic words on each.A
