

- **Objectives:**

- Students will be able to:
 - Learn the names of all the family members.
 - Know how to build up a simple sentence using these words.
 - Know how to say the family member and his/her job.

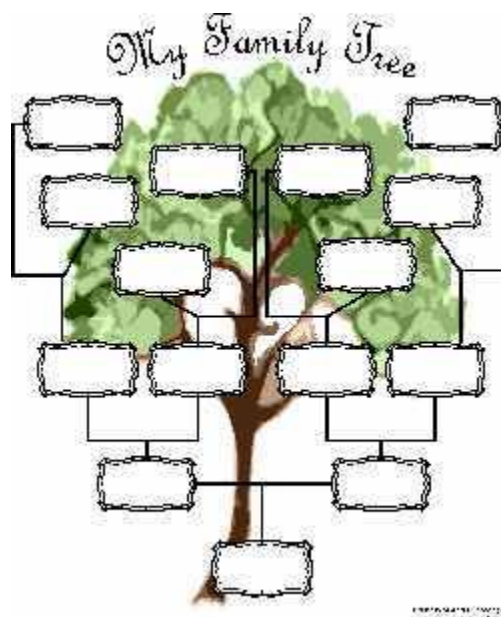

- **Standards:**

- Interpersonal Communication
- Understanding Culture and Social Interaction.

- **Procedures:**

1. **Warm up:**

- Revise all the jobs that they had already learnt.
- Tell the students about my father's job and let them guess the meaning of the word "father".
- Draw a family tree and help them to fill it in.

2. Presentation:

- Use a PowerPoint presentation which shows a family tree with the names of each member in Arabic.
- Draw a family tree on the board and ask the students to write the new words in the correct place.
- Ask students to make sentences using the new words. e.g.

أنا أحب أمي – أنا أحب أبي

أختي دكتورة – أخي طالب

خالتي مديرة – عمي مهندس

• Practice:

1. Write each word and have students repeat and ask among themselves.
2. Each student has to build up a sentence using the new words he/she learnt.
3. Students match the pictures with the right words.
4. Ask each student to read all the new words and to tell their meanings.
5. Ask students to draw a family tree at home and to write all the new words in the correct place.
