

## Hobbies

Desired plans	By the end of the class, students will be able to recognize and name the different kinds of sports. They will also be able to describe their favourite sports using speaking and writing.
Assessment evidence	They will be assessed according to their pronunciation and spelling as they will ask each other about their favourite hobbies in Arabic and according to their pairwork and group work activities, they will be assessed.
Learning plan	After greeting the students and revising the previous lesson, I will ask about the activities they did during the weekend to recognize their hobbies and then I will start teaching the new vocabulary with the help of the powerpoint slide shows and making sure they can recognize and name the hobbies in Arabic, after that I will divide them into groups to practise speaking asking each other about favourite hobbies.
The new vocabulary	hobby- watching T.V- listening to music- sports- football- swimming- reading- computer games
